Step Ahead is an innovative science-based program located at First Congregational Church in Braintree. Step Ahead incorporates a comfortable environment that eases the kindergarten and preschool child into an academic situation that includes a strong phonics agenda and an effective math program. Other activities range from daily arts and crafts, number games, reading readiness skills, story telling, role playing, poetry, dance, sports and music. Definitely something for everyone! Step Ahead is licensed by the Department Of Early Education & Care, 1250 Hancock St., Quincy MA, 617-472-2881

Step Ahead program is five days a week: full or half day whichever suits your needs. The full day runs from 8:00 to 2:30. The half day runs from 8:00 to 11:45. We also offer an extended day from 7:30 to 6:00 pm. Step Ahead boasts a maximum class size of fifteen children with two teachers. With the low ratio of students to teachers many activities are individualized giving the kindergarten and preschool child the special attention needed to make the year a special one.

The cost of the various programs is \$160.00 per week for a full day program and \$115.00 for a half day program. The extended day is \$255.00 for a full week. Various tuition plans are available. Snack and drinks are provided. Full day children need to supply their own lunch.

Step Ahead also offers a pre kindergarten and preschool class with various schedules. Parents are able to choose the mornings your child will attend. Tuition rates are available upon request.

Step Ahead has an additional location in 'Quincy Center'. This site houses a fully functional academic preschool. Starting age for the Quincy school is two years nine months. The phone number is 617-471-0022. Lynda Mitchell and Carol Czech are the directors.

For more information or to schedule a visit at either site please contact Linda Keefe at 781-356-8318.

*"Step Ahead, a step above the ordinary."*

A science based program designed to accommodate the creative and academic needs of the kindergarten and preschool child. Step Ahead is a congenial environment conducive to hands-on learning.

A highly qualified staff will guide your child through an innovative program that encourages scholastic advancement. The small class size enables us to give the individual attention needed to make the kindergarten and pre-kindergarten experience a gratifying and successful one.

Step Ahead eases the child into the full day classroom situation with a combination of structured and semi-structured activities.
